The meeting was called to order at 6:14pm.

**3.00 Variance Request**

A Variance Request Application submitted by Curtis and Diane Binstock (426 2<sup>nd</sup> Street) to allow for an 8' side-yard setback, was reviewed by the Planning Commission. There were no residents in attendance at the Public Hearing and no calls or letters were received for or against the variance. As there was no opposition to the variance request and the existing structure is 8' from the side-yard the Planning Commission recommends allowing the addition to align with the existing structure.

**A Motion** was made by Councilor Jorgenson and seconded by Councilor MacDonald to recommend to the City Council to approve the Variance to the Zoning Ordinance and allowed for an 8' side-yard setback. The motion passed unanimously.

**A Motion** was made by Councilor Bodie and seconded by Councilor Jorgenson close the Public Hearing/Planning Commission meeting and re-open the Regular Council Meeting, the time being 6:19pm. The motion passed unanimously.

Respectfully Submitted:

Carol Conway - Clerk/Treasurer
